Adopting the Final Draft TIP

From the Palm Beach TPA Public Participation Plan:

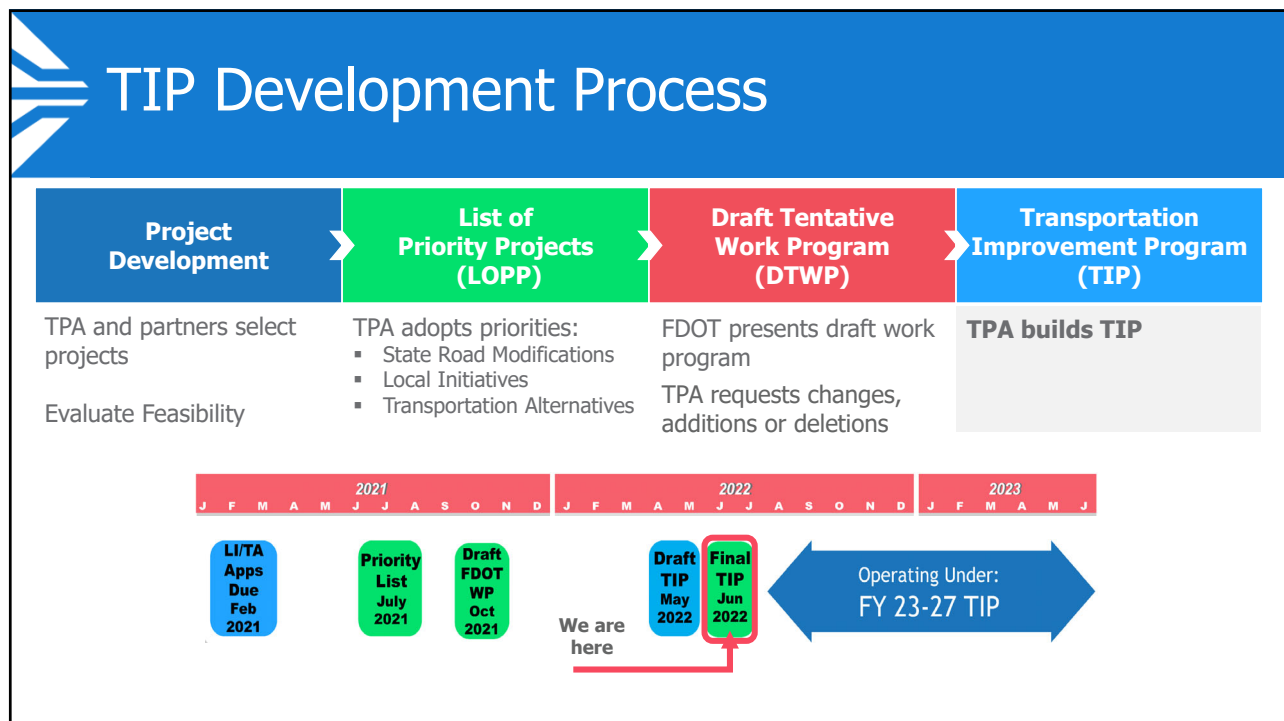

When adoption of the annual update to the TIP is scheduled on an agenda, the Palm Beach TPA Governing Board will **only vote to adopt or reject the TIP as presented.**

A request to add a project that did not appear in the draft TIP or to delete a project included in the draft TIP that was made available for public review will be considered as an amendment to the TIP on the agenda of a future meeting.

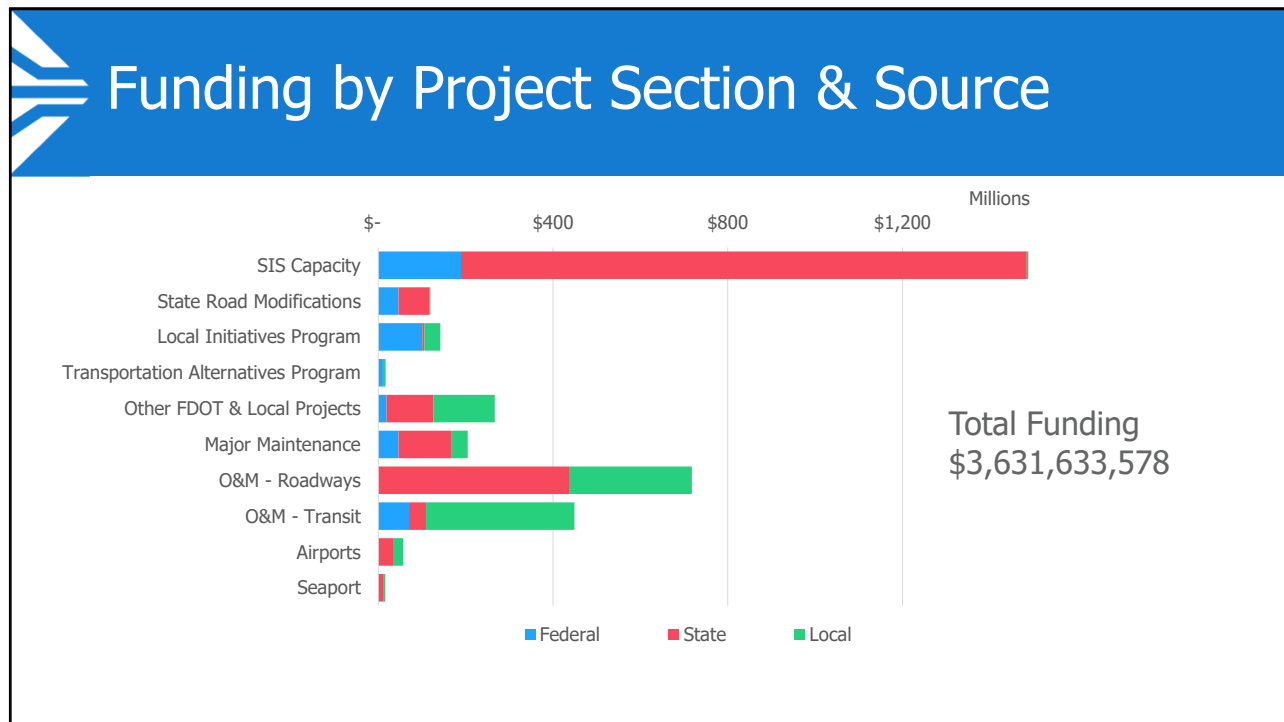

The graphic for the Palm Beach TPA Public Participation Plan features a blue header with the title. Below it, a series of four overlapping diamond shapes in green, blue, red, and blue contain icons: a gear, a document with a pencil, a person in a wheelchair, and a speech bubble. At the bottom left, it says 'September 2020' and 'PalmbeachTPA.org'. At the bottom right, it says 'PALM BEACH Transportation Planning Agency', '301 Oakleaf Street', 'West Palm Beach, FL 33411', and 'Phone: 561.725.5600'.
